#### **VISCOMM: A GUIDE TO VISUAL COMMUNICATION DESIGN VCE UNITS 1-4 TEXTBOOK + EBOOK 3E**

Completely updated for the new 2024 Study Design, this visually inspiring third edition focuses on the meaning of good design and how human-centred design principles can uncover and solve problems faced by people and the planet.

##### **What's new in this edition:**

- Students are guided through the new VCD design process (based on the Double Diamond model), and its emphasis on divergent and convergent design thinking, as they explore user-centred approaches to designing innovative messages, objects, environments, and interactive experiences.
- New highly relevant case studies and interviews with designers, both emerging and established, showcase contemporary design practice and trends.
- A mix of new and proven assessment tasks and new end-of-chapter activities cover all Study Design outcomes, provide practical applications for building folios, and help students consolidate their knowledge and understanding as they prepare for exams.  
*and much more!*
